Sponsorship Opportunities

The AANA Foundation is planning another great fundraising event at the AANA 2017 Nurse Anesthesia Annual Congress in Seattle. *CRNAs Live at the Hard Rock Café* will offer a night of fun for everyone, including food, drinks, dancing, and live band karaoke.

Hard Rock Cafe Seattle's best-kept secret is the second-floor music venue dubbed Cavern Club, homage to the iconic Liverpool basement rock club where The Beatles forged their musical identity in the early 60s. Cavern Club is a destination for local original acts and national touring acts. This night we will be singing and dancing to the tunes of the local favorite live Karaoke Band Rock-Bot!

Rock-Bot has hundreds of songs to choose from and CRNAs and SRNAs will get to sing with some of the best musicians around. It's just like karaoke with words scrolling by on a screen, but a live band is there to play the music, sing back-ups, and keep you company on stage.

For those who would like to take in the city views and have a quieter setting throughout the evening, Hard Rock Café's prime downtown location offers an adjacent rooftop terrace overlooking Pike Place Market.

Please support this event and help make this evening a success. Join the fun while benefiting the AANA Foundation and its mission.
