American Association of Nurse Anesthetists (AANA) Foundation

The AANA Foundation was established in 1981 as a charitable organization to support the AANA membership. The AANA is the professional association representing more than 42,000 Certified Registered Nurse Anesthetists (CRNAs) and student registered nurse anesthetists (SRNAs) nationwide. CRNAs are anesthesia professionals who safely administer approximately 32 million anesthetics to patients each year in the United States and are the primary providers of anesthesia care in rural America.

The Foundation is dedicated to supporting its mission of advancing the science of anesthesia through education and research.

The Foundation provides financial support to CRNAs and SRNAs through a variety of initiatives and events in addition to offering workshops attended by hundreds of individuals. Over the course of its 30-year history, the Foundation has awarded more than $2.2 million to 2,275 individuals as detailed below.

- 739 scholarships totaling more than $1 million to support nurse anesthesia
- 131 fellowships totaling $650,000 to assist CRNA students pursuing their PhD and DNP degrees
- 173 research grants to CRNAs totaling more than $531,000
- 39 student research grants totaling $31,000
- 1,193 poster presentations at AANA annual meetings totaling more than $50,000

Overview of the Year’s Successes

The AANA Foundation continues to raise the funds needed to focus on initiatives that meet its mission through research and education, ensure efficiency, and provide the nurse anesthesia community with the necessary resources for furthering its profession. Due to the generosity of the Foundation’s donors, some of the major strategic goals accomplished this fiscal year included:

- supporting more than 180 CRNAs and students,
- training more than 150 CRNAs and students at workshops supported by the Foundation,
- supporting “Cost Effectiveness Analysis of Anesthesia Providers” published in Nursing Economic$ (conducted by the Lewin Group),
• supporting “No Harm Found When Nurse Anesthetists Work Without Supervision By Physicians” published in Health Affairs (conducted by Brian Dulisse and Jerry Cromwell),
• implementing methods to increase corporate sponsorship,
• developing evaluation criteria to implement additional research and evidence-based workshop series, and
• completing the first AANA Foundation Research Funding Workshop designed to educate and support CRNA researchers in the process of obtaining outside funding for their research.

The Foundation wishes to thank every donor and volunteer who contributed their gifts and time throughout the year and to congratulate all award recipients and research participants.

Proof is Power: AANA Foundation’s New Fundraising Campaign Focuses on Impact of Research

The logo for the Foundation’s FY 2012 fundraising campaign, which was introduced in FY 2011, features a magnifying glass zooming in on a “P” to the second power and appears near information about important research studies supported by the AANA Foundation.

P² was conceived to remind CRNAs and SRNAs that high-level research is critically important to improving anesthesia patient safety, advocating for the profession, and rebutting inaccuracies and mistruths about nurse anesthesia.

Research studies are the result of hard work, bright minds, and the generosity of donors to the AANA Foundation who believe in the power of research-driven evidence to make a difference.

Celebrating 30 Years – AANA Foundation’s First Board of Directors

Awards

30th Anniversary Special Recognition Award
In celebration of its 30th Anniversary, the AANA Foundation has created a Special Recognition Award to recognize and honor Dr. Lorraine M. Jordan, AANA Foundation Executive Director and AANA Senior Director of Research. Lorraine has led the AANA Foundation for almost 25 years and has dedicated her career to advancing the science of anesthesia through education and research. To further recognize and support Dr. Jordan’s efforts, the Foundation has created a Special Recognition Research Fund. This fund will support future research initiatives to advance nurse anesthesia and continue to support the work of Dr. Jordan.

John F. Garde Researcher of the Year
The AANA Foundation renamed the Researcher of the Year Award in memory of John F. Garde, a previous Foundation Trustee, AANA Executive Director and long-term supporter of the AANA Foundation. John was instrumental in the creation of the Foundation and realized the importance of supporting nurse anesthesia long into the future. He was a leader whose accomplishments are remarkable by anyone’s standards. The 2011 John F. Garde Researcher of the Year Award recognizes an individual who has made a significant contribution to the practice of anesthesia through clinical research.

This year the Foundation gave the prestigious John F. Garde Researcher of the Year Award to Maureen P. Reilly, CRNA, MSN, MHS, PhD. Dr. Maureen Reilly, who received this as a posthumous award, was a stellar researcher, natural and remarkable mentor, accomplished author, impressive clinician, engaging instructor, and sought-after speaker. As a researcher, Dr. Reilly’s work culminated in over 14 funded projects since 2004 and an impressive record of more than 34 publications. Dr. Reilly was a dedicated leader who consistently promoted the advancement of nurse anesthesia.

Advocate of the Year
The Advocate of the Year award winner is David Schwytzer, CRNA, BS, ARNP, State of Kentucky Advocate. Dave is an AANA Foundation donor and volunteer who has served as a state advocate since the inception of the state advocate program. He is passionate in supporting causes he believes are important such as practice standards, on-going competency and new research and is enthusiastic about asking others to join in contributing to the Foundation.

Rita L. LeBlanc Philanthropist of the Year
The Rita L. LeBlanc Philanthropist of the Year award winner is Alverna Skoog, CRNA, BS. Alverna has given her time, energy, and very generous funding to the AANA and the AANA Foundation for decades. In addition to being an active member of the Anesthesia Pioneers group, serving as AANA Treasurer, and serving as New York state president of the New York Anesthetist Association of Nurses, Alverna is a member of the Gertrude Fife Society and has financially supported the AANA Foundation at the highest levels of giving for many years. At 90 years old, Alverna continues to humbly and quietly support the nurse anesthetist community.
Research Initiatives

First Research Funding Workshop

The AANA Foundation completed its first AANA Foundation Research Funding Workshop designed to educate and support CRNA researchers in the processes of obtaining outside funding for their research.

Seven CRNA researchers were competitively selected and financially supported to attend the National Institute of Health (NIH) workshop followed by a Research Funding Workshop. The experience provided CRNA researchers an opportunity to become knowledgeable about the NIH grant process and then further develop their individual research interests to apply for grants.

Attendees, pleased with the wealth of knowledge and insight provided about grant submission, included:

Paul Bennetts, CRNA, MS
Eric J. Bopp, LCDR, NC, USN
Ramona M. Domen, CRNA, MS
Ladan Eshkevari, CRNA, PhD, LAc
Mary A. Golinski, CRNA, PhD
Julia Lassegard, CRNA, MS
Kathryn Waud White, CRNS, DNP

Instructors:
Normalynn Garrett, CRNA, PhD
Lorraine M. Jordan, CRNA, PhD
Miyong T. Kim, PhD, RN, FAAN
Charles A. Vacchiano, CRNA, PhD

Fellowships

The increased need for doctoral-prepared faculty over the last few years has inspired the AANA Foundation to continue offering the Doctoral and Post-Doctoral Fellowships. The fellowship programs financially support CRNAs earning doctoral degrees while conducting research to advance nurse anesthesia. This year, one CRNA was awarded a post-doctoral fellowship, ten CRNAs were awarded prestigious doctoral fellowships, and one CRNA was awarded a doctoral scholarship.

**Friends for Life**

Friends for Life helps support the future of the nurse anesthesia profession through meaningful, lasting gifts. Contributions through Friends for Life help fund and sustain programs that further research and education in anesthesia.

The minimum gift commitment to join Friends for Life is $25,000. Members may fulfill this commitment through a cash gift, but there are many other ways to meet the commitment through planned gifts like bequests as well as beneficiary designations on life insurance and retirement plans. For further information on the Friends for Life program, please contact Nat Carmichael at (847) 655-1175 or by email at ncarmichael@aana.com.

This year, the Foundation welcomed thirteen new Friends for Life:
