

Dear AANA Members:

The AANA Foundation established the Jan Stewart Memorial Fund in memory of our past-president, Jan Stewart. This fund was founded to support activities related to CRNAs and wellness.

We are inviting you to join the AANA and the AANA Foundation in this special campaign to help CRNAs who are struggling with addiction and other wellness-related issues. As healthcare professionals, we need to support one another-especially our fellow CRNAs in need-to build a strong future of our great profession. Please consider giving to the Jan Stewart Memorial Fund to help all CRNAs lead healthy and happy lives, and to ensure the safest care possible for anesthesia patients everywhere.

Thank you in advance for considering giving to this very worthy cause.

Gratefully,
