CALENDAR OF EVENTS

Advertisers who list their prior-approved CE programs in the Calendar of Events enjoy wider exposure for their approved programs because the $125 per listing fee includes a duplicate listing on the AANA website as well as a link directly to the online Calendar of Events in the bi-monthly Anesthesia E-ssential (the AANA’s electronic newsletter). Additionally, the web address provided in the advertisement will be hyperlinked directly to the websites allowing viewers access to company and program information for more exposure and target-directed traffic.

Go to http://www.aana.com/cecalendarofevents for specific deadline dates. The fee can be paid along with the CE Application submission.
