

AANA JOURNAL

Advancing patient safety and excellence in anesthesia

August 2013
Volume 81 • Number 4
ISSN 0094-6354

Established in 1933, the AANA Journal is the official publication of the American Association of Nurse Anesthetists.

261
To Press or Not to Press, and If So, With What? A Single Question-Focused Meta-analysis

282
Use of a Positive Pressure Endoscopic Mask to Assist With Positive Pressure Ventilation in a Morbidly Obese Patient

308
AANA Journal Course – Part 3 – Tobacco Smoking Using a Waterpipe (Hookah): What You Need to Know

314
Answers to AANA Journal Course #32 Examination

Call for Covers

AANA members are encouraged to submit original and reproducible quality photographs for possible publication on the *AANA Journal* cover. Images should be of historical or contemporary significance and convey the art and science of anesthesia.

Please mail photos to Larry Sawyer, Managing Editor, *AANA Journal*, 222 S. Prospect Ave., Park Ridge, IL 60068. Include a detailed description of the activity in each picture, including identification of all individuals by name, title, and credentials, when possible. Note: Don't send your only copy of an image. Be sure to also retain copies for yourself. If you have questions or a photo idea you would like to discuss, please contact Larry Sawyer at lsawyer@aana.com or 847-655-8834.

Photo Tips

When taking a photo for the Journal cover, remember to:

- Follow all practice guidelines, that is, wear goggles, gloves and masks, etc., as the situation requires.
- Make sure the photo is good quality/high resolution (see table below for digital photos). Orientation should be tall and not wide.
- Obtain signed photo releases from all those in the photo.

For digital photos, please follow these requirements for resolution:

Submitted photo size (W x H in inches)	Pixels per inch (ppi)
8 3/8 x 8 3/16	300

Total image size for the *Journal* is 8 3/8" x 8 3/16"
