Now Hiring Director of Nurse Anesthesia DNP Program

The University of Arkansas for Medical Sciences (UAMS) College of Nursing seeks a dynamic and innovative academic leader to serve as the inaugural Director of the Nurse Anesthesia program. This is a 12-month, full-time faculty position.

Qualifications:

- Master's degree or doctoral degree in nurse anesthesia from an accredited program and institution of higher education. Doctorate in nursing or related field required.
- Unencumbered license as a certified registered nurse anesthetist with eligibility for licensure in Arkansas.
- Teaching experience in a nurse anesthesia program.
- Experience with development and implementation of nurse anesthesia curriculum.
- Management/leadership skills; strong interpersonal skills.
- Demonstration of scholarship related activities.
- Experience with accreditation preferred.

The core mission of UAMS, the state's only academic health center, is to improve the health of Arkansans and others through education, patient-family centered care, and research.

Join our collegial team!

UAMS is an inclusive Affirmative Action and Equal Opportunity Employer of individuals with disabilities and protected veterans and is committed to excellence.
