

**ABC Company  
Obstetric Anesthesia Conference  
Learner Assessment and Program Evaluation**

Each participant is requested to complete this evaluation tool as a way to assess the effectiveness of his/her learning following his/her participation in the conference.

Name: \_\_\_\_\_ AANA ID#: \_\_\_\_\_

Date of Program: \_\_\_\_\_

Indicate your level of achievement for each learner objective on the rating scale.

1. Describe maternal anatomical and physiologic changes of pregnancy and their anesthetic implications.  
Excellent - 1                  Good - 2                  Adequate - 3                  Fair - 4                  Poor - 5
2. Describe clinical use of various local anesthetics and adjunct drugs for epidural regional anesthesia for uncomplicated labor and delivery.  
Excellent - 1                  Good - 2                  Adequate - 3                  Fair - 4                  Poor - 5
3. Describe the anesthetic management of the complicated obstetric epidural.  
Excellent - 1                  Good - 2                  Adequate - 3                  Fair - 4                  Poor - 5
4. Describe the anesthetic management for the parturient with placenta previa, abruption, uterine rupture, and uterine atony.  
Excellent - 1                  Good - 2                  Adequate - 3                  Fair - 4                  Poor - 5
5. Describe the anesthetic management for parturient with obstetric co-morbidities.  
Excellent - 1                  Good - 2                  Adequate - 3                  Fair - 4                  Poor - 5

Other:

1. The facilitator was effective in presenting the material  
Excellent - 1                  Good - 2                  Adequate - 3                  Fair - 4                  Poor - 5
2. Teaching methods were effective  
Excellent - 1                  Good - 2                  Adequate - 3                  Fair - 4                  Poor - 5
3. Physical facilities facilitated learning  
Excellent - 1                  Good - 2                  Adequate - 3                  Fair - 4                  Poor - 5
4. The content was related to the objectives  
Excellent - 1                  Good - 2                  Adequate - 3                  Fair - 4                  Poor - 5
5. My personal learning objectives were met  
Excellent - 1                  Good - 2                  Adequate - 3                  Fair - 4                  Poor - 5

6. State one item you learned that will improve your nurse anesthesia practice.

---

---

7. State any barriers to implement this change.
