

CRNA

Certified Registered Nurse Anesthetists

Every **BREATH**

Every **BEAT**

Every **SECOND**

WE ARE THERE

As highly educated and skilled anesthesia experts, Certified Registered Nurse Anesthetists (CRNAs) stay with patients throughout their procedure to ensure their comfort and safety.

For CRNAs, providing patient-centered, holistic pain management and anesthesia care is both their profession and their passion.

CRNAs work in all practice settings, including rural and military, to provide safe and effective anesthesia care for every patient.

CELEBRATE

NATIONAL
CRNA Week

January 20-26, 2019
