Sponsoring a Nurse Anesthesia  
Student Scholarship  
or CRNA Fellowship  
**Deadline: December 1**

You are invited to participate in this worthwhile initiative. A student scholarship or a CRNA fellowship may be sponsored by an individual or an organization. This program provides financial assistance to students involved in a nurse anesthesia program and CRNAs enrolled in a doctoral study. Minimum awards of \$3,000 each will be granted annually. In lieu of a student scholarship application fee this year, new scholarship donors will be charged an annual administrative fee of \$150 for a \$3,000 scholarship and \$250 for a \$5,000 scholarship. In establishing the criteria, flexibility has been provided for a sponsor to:

- add a specific criterion (i.e., a state association may want the student recipient to come from that state),
- indicate the name in which the scholarship is to be given,
- describe the specific purpose for establishing the scholarship or fellowship to be used when publicizing it,
- designate a specific area of scientific inquiry for doctoral study, i.e., information management system, patient safety, etc.,
- and, decide on an annual basis to continue sponsoring the scholarship or fellowship.

**Note:**

This packet contains a copy of the one-page Sponsor Application Form. To establish a scholarship or fellowship to be awarded, simply complete and return the Sponsor Application Form to the address or email address above by **December 1**. If funding cannot accompany the application, please contact the AANA Foundation at [foundation@aana.com](mailto:foundation@aana.com).
