

FRIENDS FOR LIFE

The Friends for Life program helps support the future of the nurse anesthesia profession through meaningful, lasting gifts. Contributions through Friends for Life help fund and sustain programs that further research and education in anesthesia.

The minimum gift commitment to join Friends for Life is \$25,000. Members may fulfill this commitment through a cash gift, but there are many other ways to meet the commitment through planned gifts like bequests as well as beneficiary designations on life insurance and retirement plans. For further information on the Friends for Life program, please contact Nat Carmichael at (847) 655-1175 or by email at ncarmichael@aana.com.

The Student Emergency Educational Grant has helped by relieving some of the financial burdens in funding college. I have a husband and two young children who were all impacted by Hurricane Irma. Paying for our family's needs and school with a one-parent income is a struggle even without a natural disaster. The hurricane added additional stress to find childcare, provide non-perishable food, provide electricity using generators and batteries, and shorted appliances necessary for daily living... I plan on being a diligent, meticulous, and compassionate nurse anesthetist... You have helped me take a step in achieving my career goals, and I am so grateful... Thank you so much.

Catherine Pallas, BSN, RN, CCRN
