

AANA Foundation Memorial and Tribute Gifts Summary

Memorial Gifts

Many donors wish to support the ongoing programs, research and education initiatives of the AANA Foundation and honor the memory of a family member, friend, co-worker, classmate or neighbor by making a memorial gift. Memorial donations to the AANA Foundation are tax-deductible gifts that are used to continue providing resources and educational opportunities to CRNAs and nurse anesthesia students. The immediate family of the deceased member is sent a card notifying them of the donation made in memory of their loved one. Memorial contributions can be made at AANA meetings, online at www.aanafoundation.com or mailed to the Foundation.

Tribute Gifts

AANA Foundation supporters take advantage of honoring special people in their lives by making tribute gifts to the Foundation. It is a great way to show a family member or friend appreciation for their passion about their profession in anesthesia. Tribute donations to the AANA Foundation are also tax-deductible gifts used to further the Foundation's mission. The individual is sent a card notifying them of the donation made in their honor. Tribute gifts can be made at AANA meetings, online at www.aanafoundation.com or mailed to the Foundation.
