The AANA Foundation Poster Session application is open to AANA member CRNAs & SRNAs only. Nonmembers, please see the instructions in the link below. All required information must be submitted in order to be reviewed. Note: You will not be able to change the poster category or edit this page once you mark this task as complete below. For subsequent pages, if you wish to make changes after you save/mark as complete, please click on the ellipsis on the top right of this form. Attachments may be slow to upload. Thank you for your patience. All tasks in the left sidebar must be completed before submission of your application. After all tasks are complete, please click "Review & Submit" at the bottom of the left sidebar to be taken to the payment page to pay the $25 application fee.

Annual Congress Poster Application Form

1. Please review these instructions before you begin your application.

I affirm I have read the instructions in the link above.

☐ Affirm

Principal Presenter’s Contact Information

Each poster must have a unique presenter & e-mail address. We will only communicate with the principal presenter of each poster. Only one poster submission is allowed per presenter. Exception: One presenter can present two posters if they are related to the same subject matter & fall into the same category and subcategory. Credentials tip: Include only military rank, licenses, & highest degree achieved. Do not include punctuation within credentials. Do not include SRNA or RNAS.

Title of Abstract (Use upper- and lower-case letters; do not use quotes around the title)

Impact Statement (250 characters, including spaces): (Describe how the study/abstract will impact or potentially impact the care that CRNAs deliver.)
Please select only one of the following areas that best describes your abstract

- Education
- Leadership
- Practice
- Healthcare Policy
- Science of Anesthesia
- Other

Please select only one of the following subcategories

---

Please select only one category. **Note: You will not be able to change the category or edit this page once you mark this task as complete below.**

---

**Task confirmation**

The task Annual Congress Poster Application will be locked once you complete it.
Depending on which category you choose (definitions are included in the instructions document at the top of the application), the abstract fields will vary. The following pages show the different fields for each category. NOTE: Once you select a category, you will not be allowed to change it.

Required for **Qualitative Research** category:

**Qualitative Research Form**

*You must keep a copy of your submitted abstract.* If you are pasting text from a word processing program such as Microsoft Word, please first paste the text into a plain text editor such as Microsoft Notepad or TextEdit to strip out unnecessary formatting. Please include the information indicated below and note the maximum characters (not words) allowed for each text box. The character maximums include spaces. When using an acronym for the first time, it must be spelled out. Do not use bullets or lists; you must use complete sentences. For spatial reference, all submitted copy below will be formatted to fit on one 8.5" x 11" page. Note: this is an abstract, not a paper. References are not required. If you wish to edit your abstract after you mark it as complete below, click on the ellipsis at the top right of this form.

NOTE: Qualitative research, involving a focus on original research and research methodology, including phenomenological, grounded theory, ethnographic, or case study approaches.

**Title**

*(Use upper- and lower-case letters; do not use quotes around the title)*

**Impact Statement**

*(Character limit: 200. Describe how the study/abstract will impact or potentially impact the care that CRNAs deliver.)*

**Qualitative Research Introduction (problem/issue and purpose)** *(Character limit: 400)*

/*
Qualitative Research Results and Data Analysis (Character limit: 450)

Qualitative Research Discussion and Conclusions (Character limit: 400)

Qualitative Research Funding Sources (Character limit: 200) Leave blank if none.

Qualitative Research Open Comments (briefly explain any details, if necessary, that are not covered in any of the above sections) NOTE: These comments will not be published with your abstract so your abstract must stand on its own merit. Only the review committees will read these comments. (Character limit: 400)
Required for **Quantitative Research** category:

**Quantitative Research Form**

You must keep a copy of your submitted abstract. If you are pasting text from a word processing program such as Microsoft Word, please first paste the text into a plain text editor such as Microsoft Notepad or TextEdit to strip out unnecessary formatting. Please include the information indicated below and note the maximum characters (not words) allowed for each text box. The character maximums include spaces. When using an acronym for the first time, it must be spelled out. Do not use bullets or lists; you must use complete sentences. (200 characters): (Describe how the study/abstract will impact or potentially

Evidence Based Practice Introduction (problem/issue and purpose) (Character limit: 400)
Evidence Based Practice Methods (PICOT question, literature database search methods, types of studies identified for analysis) (Character limit: 800)

Evidence Based Practice Analysis of the Evidence (Character limit: 700)

Evidence Based Practice Recommendation for Practice (clinical implementation/practice change, include results if applicable) (Character limit: 700)

Evidence Based Practice Funding Sources (Leave blank if none. Character limit: 200)
Evidence Based Practice Open Comments (briefly explain any details, if necessary, that are not covered in any of the above sections) NOTE: These comments will not be published with your abstract so your abstract must stand on its own merit. Only the review committees will read these comments. (Leave blank if none. Character limit: 400.)
Required for Case Report category:

Case Report Form

You must keep a copy of your submitted abstract. If you are pasting text from a word processing program such as Microsoft Word, please first paste the text into a plain text editor such as Microsoft Notepad or TextEdit to strip out unnecessary formatting. Please include the information indicated below and note the maximum characters (not words) allowed for each text box. The character maximums include spaces. When using an acronym for the first time, it must be spelled out. Do not use bullets or lists; you must use complete sentences. For spatial reference, all submitted copy below will be formatted to fit on one 8.5" x 11" page. Note: this is an abstract, not a paper. References are not required. If you wish to edit your abstract after you mark it as complete below, click on the ellipsis at the top right of this form.

NOTE: Case Report, a project that describes and interprets a unique clinical case. Case reports often describe: 1) Unique cases that cannot be explained by known diseases or syndromes. 2) Cases that show an important variation of a disease or condition. 3) Cases that show unexpected events that may yield new or useful information. 4) Cases in which one patient has two or more unexpected diseases or disorders.

Case Report Introduction (problem/issue and significance) (Character limit: 400)

Case Report Literature Review (Required: Application to the case, not only a list of references) (Character limit: 500)
Case Report Description of the Case (Character limit: 800)

Case Report Discussion and Conclusions (Character limit: 800)

Case Report Funding Sources (Leave blank if none. Character limit: 200)

Case Report Open Comments (briefly explain any details, if necessary, that are not covered in any of the above sections) NOTE: These comments will not be published with your abstract so your abstract must stand on its own merit. Only the review committees will read these comments. (Leave blank if none. Character limit: 400)
Required for **Invention/Innovation** category:

**Invention/Innovation Form**

*You must keep a copy of your submitted abstract.* If you are pasting text from a word processing program such as Microsoft Word, please first paste the text into a plain text editor such as Microsoft Notepad or TextEdit to strip out unnecessary formatting. Please include the information indicated below and note the maximum characters (not words) allowed for each text box. The character maximums include spaces. When using an acronym for the first time, it must be spelled out. Do not use bullets or lists; you must use complete sentences. For spatial reference, all submitted copy below will be formatted to fit on one 8.5” x 11” page. Note: this is an abstract, not a paper. References are not required. If you wish to edit your abstract after you mark it as complete below, click on the ellipsis at the top right of this form.

Invention/Innovation - For new inventions or innovations of existing products or processes that demonstrate adherence to scholarly standards and practices with proof of concept backed by evidence/results; may include pilot study results.

"Abstracts, posters, and presentations are not to request funding, or be a means of advertisement to sell a product. Acceptance for presentation at the State of Science Poster Session does not indicate endorsement or funding of the invention/innovation by the AANA Foundation."

- I affirm I agree to this statement.

**Invention/Innovation Introduction (problem/issue, and objective/aim of the invention/innovation) (Character limit: 400)**
Invention/Innovation Literature Review (application to the invention/innovation) (Character limit: 400)

Invention/Innovation Developmental Design or Methodology (clearly described) (Character limit: 400)

Invention/Innovation Proof of Concept/Results (provide results, data analysis, and significance) (Character limit: 500)

Invention/Innovation Discussions and Conclusions (Character limit: 500)
Invention/Innovation Funding Sources (Leave blank if none. Character limit: 200)

Invention/Innovation Open Comments (briefly explain any details, if necessary, that are not covered in any of the above sections.) NOTE: These comments will not be published with your abstract so your abstract must stand on its own merit. Only the review committees will read these comments. (Leave blank if none. Character limit: 400)
Attach a Word Document or PDF; format the file name as Lastname_FirstName_CV. (Use the principal presenter's name only.) If you wish to edit this task after you mark it as complete below, click on the ellipsis at the top right of this form.

ATTACH FILE

Show accepted formats

MARK AS COMPLETE
Attach a Word Document or PDF; format the file name as LastName_FirstName_IRB. (Use the principal presenter's name only.) All applicants must provide an IRB/IACUC approval or exemption letter, or provide an informal letter attesting that IRB/IACUC is not applicable. If you wish to edit this task after you mark it as complete below, click on the ellipsis at the top right of this form.
Different tasks are required for the oral and general poster sessions.

Final Agreement Form

You must complete the previous tasks before starting this form. If you wish to edit this task after you mark it as complete below, click on the ellipsis at the top right of this form.

I am submitting my application for the 2020 Annual Congress Poster Session. Note: All categories qualify for oral poster presentation. Oral poster applicants must provide their complete oral PowerPoint presentation upon submission. All applicants must submit a general poster. Please select only one.

- Both “State of the Science” Oral Poster Presentation and General Poster Presentation
- “State of the Science” Oral Poster Presentation
- “State of the Science” General Poster Presentation Only

Clear

Oral Poster Presentations

Oral poster applicants must provide a PowerPoint presentation of their full oral presentation (approximately 15 minutes) upon submission to be considered. Title of presentation must match abstract title. One slide must discuss IRB/IACUC (approval, exemption, or non-applicable), as well as that all participants signed IRB - approved consent, where appropriate. (PowerPoint preferred; Prezi accepted; format file name as LastName_FirstName_OralPresentation. Use the principal presenter’s name only.)

Upload a file
General Poster Presentation

All categories are required to submit their general poster upon submission of their abstract; attach a PDF or PowerPoint slide below. Name your file in the following format: “LastName_FirstName_GeneralPoster.” (Use the principal presenter’s name only.) The abstract title and poster title must match. Minor changes before presentation are acceptable; do not resubmit any changes for consideration unless requested. General poster presenters must choose one of the following options:
1. To compete in the poster tour, provide a final version of the poster slide/PDF.
OR
2. Provide a draft of the poster slide/PDF containing all core components of content, including charts & graphs (black & white version is acceptable.) Draft posters are not eligible for the poster tour; you must name your file as LastName_FirstName_GeneralPosterDraft.

Max file size: 10 MB

Upload a file

Poster Tour

Based on your poster abstract and poster scores during the selection process, the AANA Foundation may invite you to participate in the Poster Tour, a live 15-minute presentation at your poster during the meeting (time TBD). All categories are eligible to participate. You will be notified by email one week before the meeting whether or not you are selected as a Poster Tour presenter. All are welcome to apply for the Poster Tour during the General Poster Session. However, if you are selected as an Oral Poster Presenter, you will become ineligible for the Poster Tour. NOTE: The Foundation will no longer host a Poster Competition. It has been replaced with the Poster Tours.
Please select one

I would like my poster to be considered for the Poster Tour at the 2020 Annual Congress. I understand I will be notified of my 15-minute time slot at a later date if my poster has been selected as a Poster Tour presentation.

- Yes
- No

Please choose one of the following:

- I am a CRNA
- I am a nurse anesthesia student
- I am not a CRNA or a nurse anesthesia student.

Authorization

*You must check all below.*

- I authorize the AANA Foundation to publicize my abstract on the AANA Foundation website.

- I authorize the AANA Foundation to print my abstract on the AANA Foundation website. I understand that submitting my abstract does not guarantee publication in AANA Foundation or AANA publications.

- Poster presenters are responsible for all expenses to attend the meeting including registration to the meeting. You will not be able to attend the poster session or display your poster unless you are registered for the meeting.

- I understand that the above abstract has been submitted for the 2020 Annual Congress. Any additional details regarding research may be obtained directly from the author during “State of the Science” Poster Session exhibit hours. The AANA and AANA Foundation are not responsible for the integrity of the research findings.

- I understand the decision of the AANA Foundation Board of Trustees will be final.

Application Fee

Click here to pay the $25 application fee, then confirm you have made your payment below.

- I confirm I paid the application fee.
Poster Session Application Processing Fees

$25.00 for the application

Your application will not be processed until all fees are paid in full. If you have any questions regarding the application process, please contact the foundation at foundation@aana.com.
