

**2024 AANA Foundation Scholarship Program
Scholarship List and Special Requirements**

Please indicate the scholarships to which you are applying in Task #1 of the online application. Please note any *special requirements* for each scholarship and attach all required background documentation. Some require that you be politically active, reside in a certain state, plan to advance certain goals/objectives, etc. In some cases, you must include a statement in your Student Involvement and Accomplishments essay (or complete a separate essay, if required) specifying how you meet these requirements. If the scholarship is highlighted and has an asterisk indicating “financial need” below, you must complete the tasks that relate to financial need using the merit and financial need version of the application.
