

Advertising Prior-Approved Programs Calendar of Events

April 2026 – June 2027

Below is a schedule of the deadlines for advertising in the AANA Calendar of Events which appears in the AANA Journal and nurseanesthesiology.aana.com. The fee to advertise prior-approved CE Programs in the Calendar of Events is \$180 per listing, which includes hyperlinking of the web address in the advertisement, and a link to the online Calendar of Events that is posted on aana.com.

State Nurse Anesthesia Associations who plan and sponsor their annual state meetings do not have to pay for a notice of their upcoming meetings to be placed in the Calendar of Events, although the months to advertise must be selected during the prior approval application process in the CE Portal. However, if the state association outsourced the meeting planning to a commercial provider, the advertising fee is required from that provider.

If the CE program has already received prior approval, contact the CE Department at continuingeducation@aana.com with your request by the applicable deadline date in the schedule below and an invoice will be generated and be available for payment in the CE Portal. The request should include all pertinent information related to the provider and program that is to appear in the ad as well as the month(s) the ad should run.
