Advertisers who list their prior-approved CE programs in the Calendar of Events enjoy wider exposure for their approved programs because the $100 per listing fee includes a duplicate listing on the AANA Website as well as a link directly to the online Calendar of Events in the bi-monthly Anesthesia Essentials (the AANA’s electronic newsletter). For an additional fee, program providers can have their web address hyperlinked directly to their websites allowing viewers access to company and program information for more exposure and target-directed traffic.
