Many scholarships have specific criteria and additional information that must be supplied in order to be eligible. If an applicant selects a scholarship but does not meet its criteria, the application will be disqualified. (Please note: Head-Start Plans will not be recognized in that timeline.)

Please select the scholarship(s) you are applying for below after reviewing the scholarship criteria in the link above. (You may choose more than one.) If the scholarship has an asterisk indicating "financial need" below, you must complete the tasks that relate to financial need using the "merit and financial need scholarships" version of the application.

EDIT PROGRAM ADMINISTRATOR INFORMATION TASK FOR '...

Save Program Administrator

Program Administrators (not their designee) must complete a Program Verification Form online for each resident before residents can submit their application online. You must invite your program administrator to complete this task on your behalf. Once you invite them in the next task, an email will be sent directly to them through this system (there might be a delay up to several hours). We strongly advise that you follow up with them outside of this system to confirm that they received their invitation. If they claim they did not receive your invitation through this system, please have them check their spam folder for an email from foundation@aana.com. Please ask them to add foundation@aana.com to their list of contacts so our emails avoid their spam folder. Only one Program Verification Form is required regardless of the number of scholarships applied for. Applications will be accepted through March 1.

Residents may continue to work on their application after inviting their Program Administrator to complete a Program Verification Form on their behalf. Because residents cannot submit their application until the Program Administrator has completed their Program Verification Form online, we recommend that you work with your Program Administrator as soon as the application opens. NOTE: Your Program Administrator may attend the EDGE (formerly ADCE) meeting on February 4-7 so please ask them to finalize your form before the event. The submission deadline will not be extended.

You will know that your program administrator completed your Program Verification Form when you see the green check mark next to the Program Verification Form task in your task list. You may also follow up with them directly, if you wish. You may continue working on your application while you wait for your Program Verification Form to be completed.

Please click here to see a sample of the Program Verification Form that your Program Administrator will complete on your behalf.

<u>To add an administrator:</u>
- Click 'Lookup Program Admin'. Use the search function within the pop-up to locate the correct Program Administrator for this submission. You may specifically search by the name of a program administrator or university. Alternatively, if you simply hit "search" without including any search criteria, a full alphabetical list by university will appear. If results are returned, you must click on the member profile to auto-fill the program administrator fields. It may take up to a minute for results to return. If you notice any discrepancies in the list of program administrators, please contact foundation@aana.com.
- Click 'Add Program Administrator.' (NOTE: You will need to 'Add Program Administrator' in the search tool, as well as within the task below.) After you add the program administrator below, wait for the page to finish loading before attempting to save.
- Click 'Save Program Administrator'

AANA Foundation Scholarship Application Verification is REQUIRED.

Resident MUST be enrolled for AT LEAST 6 months before March 1.

The Program Administrator is required to complete and sign this Program Verification Form. Click the 'Invite' button to create an automatic email to that administrator, inviting them to complete the form. (NOTE: Click 'invite' only once as each click submits a request. Do NOT double-click.) Once you invite them, an email will be sent directly to them through this system (there might be a slight delay up to several hours). After your Program Administrator completes your Program Verification Form, a green check mark will appear next to this task in your task list. You may resend the invitation, if needed.

NOTE: You will not be able to save this task until your Program Administrator completes it. In order to back out of the task after you send the invitation, please click on the "Tasks" breadcrumb at the top left to return to the main list of tasks.
